STUDENT SERVICES

INTRODUCTION

The Student Handbook highlights the services, support programs, and policies designed to assist you in getting the most from your college experience. Student development professionals who are committed to student growth - physically, emotionally, socially, intellectually and spiritually staff the Office of Student Services.

As an educational community seeking to be Christ-centered, policies are designed to create an environment of love and concern for others. Rules are established to foster an atmosphere of other-centeredness conducive to study and academic achievement. The Office of Student Services seeks to enforce college policies with patience and firmness directed toward redemption and restoration.

Students fully participate in institutional decision-making and policy development through membership on faculty and Board of Trustees committees and direct access to the President's Cabinet by the BRIDGE. You are strongly encouraged to consider how you can be part of this effective organization. Your contribution is needed and the lessons learned from involvement in student government are invaluable.

STUDENT SERVICES

The Belk Campus Center

The Belk Campus Center is oriented to students' needs - social, academic, and spiritual. Major components of the building that are directly related to extracurricular activities include the lower lobby with seating, TV, ping pong table, pool table, and foosball, student lounge with computers, seating and coffee available, the Cavalier Café and the Campus Store. The Belk Campus Center also contains an art studio, classrooms, and faculty offices.

The Montreat Campus Store

The Campus Store is located on the first floor of the Belk Campus Center. Textbooks, supplies, insignia and personal items are available for purchase at reasonable prices. Other auxiliary services are readily available through the store. Hours are posted.

Student Mailboxes/Document Center

Student mailboxes are located in the lower lobby area of the Belk Campus Center. Packages and registered mail will be handled in the Document Center on the first floor.

Bulletin Boards

Students are encouraged to notice announcements on the bulletin boards in Howerton Dining Hall, Belk Campus Center, and the residence halls. Approval to display notices in the Belk Campus Center and Gaither Hall must be obtained from Student Services. Permission to post notices on the bulletin boards in the residence halls must be approved by the residence director.

Check Cashing Service

Check cashing privileges are available to Montreat students in the Business Office Monday through Friday. The maximum amount permitted for a personal check is $25. Checks for a higher amount may be accepted for merchandise in the campus store. The student's address, box number and telephone number must appear on all checks. Students will receive a $20 penalty and a letter requesting settlement within three business days for checks returned due to insufficient funds. If the account is not settled within three business days, a hold will be placed on the student's records until both the check and the penalty have been paid. Students who have two or more returned checks will be restricted from cashing checks on campus without specific permission from the Vice President for Finance and Information Technology.

The College Chaplain

The college Chaplain has the meaningful challenge of involving students in the spiritual life of the campus. The Chaplain advises the Student Ministry Council, coordinates the weekly chapel program and is also available for individual time with students. The Chaplain's Office is located on the second floor of Gaither Hall.

Chapel and Convocation

All full-time students are required to complete chapel and convocation attendance requirements each semester of enrollment unless an exemption for the semester is granted. Exemption petitions may be obtained in the

Student Services Office. No student may graduate without meeting the chapel and convocation attendance requirements for each semester. Also, since attendance is considered a part of good citizenship, students may not be included in the Dean's List if these requirements are not met. Students are encouraged to complete the required number of chapels and convocations during the semester. Deficiencies are made up by performing five (5) hours of community service for each hour of shortage. All chapels and convocations are at 11:00 AM in Gaither Chapel unless otherwise noted. Additional convocation options include Residence Life staff-sponsored educational programs, Student Services-sponsored or approved programs, Career Development workshops, class meetings, and college-sponsored plays and recitals.

THE WELLNESS CENTER - Student Health Services

Student Health Services is located in the Wellness Center in the lower level of the Belk Library at extension 3536, and is open for services Monday through Friday from 9 to 3 for walk-in appointments. The emergency cell phone number is 713-4739. Students should come to *Student Health Services* when ill or injured. Emergency medical service is available in the evenings through the residence hall staff.

Student Health Services encourages and educates students to practice good health habits and adopt positive lifestyles that will help optimize health. Students are also encouraged to be actively involved in making positive health choices.

Student Health Services will not issue written excuses for classes missed due to illness or injury. Students should understand the absence policies set by their professors and should be responsible to their professors for missed classes. Student Health Services will notify the Office of Student Services concerning students who have prolonged illnesses or who require hospitalization.

All doctor appointments should be made through *Student Health Services*. As needed, *Student Health Services* will refer students to specialists off campus. Although free health care is provided on campus, there are charges for off-campus visits to medical facilities and for prescription medications.

The web page address for *Student Health Services* is http://www.montreat.edu/student/health/.

THE WELLNESS CENTER – Counseling Services

Counseling Services at Montreat College, also located in the Wellness Center, provides and facilitates in the provision of information and educational programs on a variety of emotional/mental health issues. The *Center* also provides assessment, brief counseling, and referral for services to programs and mental health service providers in the Asheville area. Support groups and personal growth groups may be coordinated through the *Counseling Center* upon request. The *Center* may assist students with accessing their insurance coverage for mental health services. Services through the *Counseling Center* are provided to enable students to live emotionally healthy and academically successful lives.

Students may access services of the *Counseling Center* by calling ext. 3538, emailing the counselor, or by going to the *Counseling Center* located in the lower level of Bell Library. Information may be mailed to the *Counseling Center* to campus mail box 807.

The *Counseling Center* hours will be posted on the college web site at the beginning of the semester.

Drug and Alcohol Abuse Prevention Program

Montreat College encourages any student with a substance abuse and/or dependency problem to contact the college nurse and/or the college counselor. The college provides education and prevention programs concerning the use and abuse of drugs and alcohol. Confidentiality will be maintained. Support groups are available both on and off campus.

The Career Development Office

The Career Development Office is located on the second floor of the Belk Campus Center and offers career guidance through testing, individual counseling, reference/resource materials and special seminars on resumes, job interviews, networking and internet job searching. Current information on graduate schools, professional opportunities, career choices in specific majors, and other relevant career information is available on request.

The Library

The L. Nelson Bell Library provides students with more than half a million volumes locally and through the Mountain College Library Network's online catalog. The library's collection offers access to information in all formats. Resources include books and periodicals (print and electronic), numerous online databases, videos, compact disks, DVD's and other non-print formats. Reference assistance and interlibrary loan services are available to all students as well as instruction in database searching. Available within the facility are computers with Internet connectivity and ample study and research areas for individual and group work. Library open hours are posted. The Hamilton Gallery is located in the library and provides spaces for traveling and local exhibitions and student art shows.

Academic Support Services

The Director of Student Success works with individual students requesting help in making academic progress. The director provides academic counseling regarding succesful study strategies, note-taking, time management and similar topics, and works with students to help them develop a plan for their own academic success. As part of such a plan, students may be directed to the Counseling Center, Health Services, the Career Development Office, the Writing Center, and/or departmental tutoring. The Director of Student Success also serves as a liaison between students, faculty, and staff, helping students to acquire needed resources and skills for their academic progress.

The Writing Center

The mission of the Writing Center is to serve the Montreat College community by assisting students to become better writers, critical thinkers and communicators by providing face-to-face, telephone, and electronic consultation, tutorials, reference materials and links to Web writing resources (see www.montreat.edu/writing). The Writing Center is located on the second floor of the L. Nelson Bell Library inside the computer lab. Reference materials (handbooks, style manuals, dictionaries, etc.) are available for use within the computer lab area during regular library hours. Writing consultants are available at specified hours during the academic year (hours are posted each semester).

Campus Police Department

The college's Director of Campus Police oversees officers who patrol the campus from 8:00 p.m. to 6:00 a.m. and can be reached at **713-2520** during that time. The Campus Police Department is responsible for the security of college facilities and safety of the students and staff, as well as helping to maintain a community of faith and Christian support. Montreat College Campus Police officers are commissioned under North Carolina General Statute and have full range of police authorities granted any municipal law enforcement officer on property owned by and/or under the control of Montreat College, including adjacent streets and roadways.

All college buildings and residence halls are checked continually by the Campus Police to insure security and to see that they are locked each evening. The residence hall lobbies, however, are kept open 24 hours and are constantly checked by the Campus Police and residence hall staff. The lower lobby of the Belk Campus Center is open 24 hours to provide an easily accessible emergency phone at any time. The Campus Police check this area regularly throughout the night.

The Office of Student Services provides educational programs and materials that encourage students to be responsible for their own security and the security of others. Information is provided to students through the Student Handbook, written materials and small group workshops related to the following: crime prevention, self defense, sex offense awareness and sex offense sanctions.

In conjunction with the Montreat College Campus Police, the Town of Montreat and the Buncombe County Sheriff's Department provide police protection for the community. Through the 911 emergency phone number and 669-8072, fire, rescue, and other local police agency assistance is available in minutes.

COMMUNITY STANDARDS

Standards of Conduct

The trustees, administration, staff, faculty and students seek to be motivated by Christ's love and desire to reflect that love for each other; therefore, we are called upon to practice consideration, fair play and concern in our daily interaction with each other as an expression of our commitment to be a community under the Lordship of Jesus Christ. Love and consideration demand the deliberate consciousness of other people's feelings and efforts to neither hurt nor offend others.

1 Corinthians 10:24
Nobody should seek his own good, but the good of others.

1Peter 3:8-10
Finally, all of you, live in harmony with one another; be sympathetic, love as brothers, be compassionate and humble. Do not repay evil with evil or insult with insult, but with blessing, because to this you were called so that you may inherit a blessing.

Such high aspirations require frequent reviews of what Christian standards are in social as well as academic areas. They can be reached only when each person in the Montreat College community makes an honest effort to incorporate them into the pattern of daily living.

Psalm 133:1
Behold, how good and how pleasant it is for brethren to dwell together in unity!

An obligation to patience and the effort toward redemption is inherent in a Christian community. At the same time, the college reserves the authority to administratively withdraw those students who do not accept the delineation of Christian standards and who are unable to learn to live happily within the framework of its ideals or are disruptive to the educational process. The college also reserves the right to provide information to dependent students' parents or guardians. This information will be limited to issues related to student health, safety and disciplinary or academic decisions that would jeopardize the student's ability to remain enrolled. The college reserves the right to enact an interim suspension prior to any disciplinary action when a student presents a direct threat to themselves or others. The Dean of Students will determine the specifics of an interim suspension and will ensure that the due process procedures continue as described in the Student Handbook in a timely fashion.

Honor System

Life at Montreat College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are essential to such a community, and it is for these that we strive.

Ephesians 4:1-3
I, therefore, the prisoner of the Lord, beseech you to walk worthy of the calling with which you were called, with all lowliness and gentleness, with longsuffering, bearing with one another in love, endeavoring to keep the unity of the Spirit in the bond of peace.

Each student and faculty member has a responsibility for him/herself and for every other member of the college community. The failure of one person to live honorably is, in part, the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college community.

2 Corinthians 13:7
Now I pray to God that you do no evil, not that we should appear approved, but that you should do what is honorable.

Honor Code

Under the honor code you, the student, are on your honor not to lie, cheat, steal or plagiarize. If you do, you are on your honor to report yourself within twenty-four hours to an employee of the college. If you see another student lying, cheating, stealing, or plagiarizing, you are on your honor to ask him/her to report him/herself to a college employee.

The honor code places upon you a dual responsibility. First, you are responsible to see that you conduct yourself in accordance with the honor code. Second, you are also responsible as far as is possible to see that your fellow students do likewise. This system places considerable responsibility for self-government on the students themselves. This college believes that mature students are capable of handling this serious responsibility. You are the governing system and you are responsible for its success.

General Behavior

At Montreat College, the individual is given as much freedom in the exercise of his/her rights and responsibilities as is consistent with the well-being of the entire college community. However, the college reserves the right to discipline any student who refuses to comply with reasonable requests by staff and faculty, who violates college regulations, or who violates state or federal laws or local ordinances, whether on or off campus.

If it comes to the attention of the Dean of Students that content or images posted online or transmitted electronically provide information that a student may be a threat to themselves or others or may have been involved in a violation of the law or college policy, this information will be investigated and appropriate actions taken.

The BRIDGE is authorized by the college to handle disciplinary action through its judicial branch. The Dean of Students is responsible for administrative disciplinary action in cases where the student court refers a case, the accused student requests administrative action, when the student court is not functioning, or when the victim of a sex offense case requests administrative action. Student members of the BRIDGE judicial courts are designated college officials when serving in that capacity.

Policy for Handling Disruptive Behavior in the Library

In support of the institutional purpose and educational programs of Montreat College, the L. Nelson Bell Library will maintain an atmosphere conducive to study, research and instruction. To ensure that such an atmosphere is maintained, the library staff will enforce this policy for handling disruptive behavior.

Sanction-1st Offense-Warning

3rd Offense-Exclusion from Library and Disciplinary Probation

Sexual Harassment Policy

Montreat College recognizes the dignity and worth of all humanity as God's creation in His own image and therefore seeks to maintain a community free of sexual harassment. Sexual harassment is also a violation of the law and grounds for disciplinary action up to and including discharge or suspension. Further, the college does not condone solicitation or threats to bring false accusation of sexual harassment. This policy shall apply with equal force to all students, staff and faculty.

Sexual harassment is generally described as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, academic progress or completion of a school-related activity; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or in the case of a student, used as the basis for academic decision including, but not limited to the individual's academic evaluation, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work or student's academic performance, or creating an intimidating, hostile, or offensive working or academic environment.

Examples of sexual harassment include, but are not limited to, continued or repeated offensive sexual flirtations, advances or propositions; continued or repeated verbal remarks about an individual's body; sexually degrading words used toward an individual or to describe an individual; and the display of sexually suggestive objects or pictures.

If a student feels he or she has been sexually harassed, the matter should be brought to the Dean of Students. At this time, the student will be advised and assisted in how to attempt to resolve the matter. If that course fails or if the allegation is against the dean, the complaint should be put in writing and presented to the Student Grievance Committee.

The Family Educational Rights and Privacy Act of 1974

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the confidentiality of student educational records. It states that the institution will not disclose personally identifiable information from educational records without the written consent of the student. The law allows exceptions and records may be released to:

- Montreat College officials with a legitimate educational interest.
- Federal, state, or local educational authorities, in compliance with legal requirements or for legitimate educational research, provided that the confidentiality of the records is maintained and that written authorization is provided by the campus office or agency needing this information; a picture ID is required.
- Appropriate persons as designated in the release of Directory Information.
- Persons or organizations providing financial aid to the student, or determining financial aid decisions related to eligibility, amount, condition, and enforcement of the terms of aid.
- The parents of dependent students.
- Comply with a lawfully issued subpoena, in which case the College will make a reasonable effort to notify the student of the intent to release the requested information.
- The appropriate persons in the event of a health or safety emergency.
- The Attorney General only to investigate or enforce legal requirements applicable to federally supported education programs.
- Courts of a disciplinary proceeding brought by a parent or student against an institution of higher education, or by and institution against a parent or student.
- Disclose the outcome of disciplinary proceeding against a student in specified circumstances.
- Parents and legal guardians of students under age 21, without regard to whether the student is a dependent, if the student has broken laws or violated polices relating to the use or possession of alcohol or a controlled substance.

Students must provide written authorization for grades or transcripts to be mailed or released to any third party. Transcripts will not be released if the student is financially indebted to the College.

Directory Information

We share publicly only that information that is generally considered non-harmful and allows the College to include information about the student in programs and news releases of campus activities, in recognition of honors, the graduation program, the college catalogue, the College web-site, and other publications. Directory information includes: student's name, local and permanent address, Montreat College email address, telephone number, date and place of birth, sex, marital status, major field of study, dates of attendance, enrollment status, degrees, honors and awards, participation in officially recognized activities and sports, physical factors, photographs, and the most recent previous educational agency or institution attended.

FERPA provides that any student may, upon written request, restrict the printing of directory information relating to him or herself. Any student who desires to have directory information withheld should notify the Registrar's Office with a written and signed statement.

FERPA grants students the right to inspect and challenge information in their files. Requests for access to academic records must be made in writing to the registrar and requests for access to other personal records must be made in writing to the Dean of Students. The college has 45 days to comply with each request. Following access, the student or parent may request a hearing to challenge the contents of a record. The Registrar or the Dean of Students will arrange the time and place and notify the student or parent.

Non-Discrimination / Equal Opportunity / ADA / Rehabilitation Act Compliance Policies

In compliance with Title IX of the Education Amendments of 1972, Section 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, Montreat College admits students of any race, color, religion, sex, age, national or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, disability, military service, color, religion, sex, age, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administrative programs.

Disability Services

Montreat College will provide reasonable accommodations to known disabilities whether visual, hearing, mobility, medical, learning, or other of otherwise qualified applicants and students.

Eligible students should follow these steps:

- Identify him/herself to the Director of Student Success (room 206, Belk Campus Center, or phone extension 3636).
- Submit to the Director of Student Success current documentation (not older than three years) of his/her disability.
- Be willing to participate in additional evaluations to confirm the disability, if requested.
- Provide clear recommendations for accommodations from a professional care provider.
- Request in writing the specific accommodations needed to enable his/her academic success.

The Director of Student Success, in conjunction with other appropriate personnel, will assess a student's documentation and determine the reasonableness of the requested accommodations. The Director serves as a liaison between students and faculty/staff working individually with students to develop and implement a plan for academic accessibility. As part of such a plan, students may be directed to the Counseling Center, Health Services, the Career Development Office, the Writing Center, and/or departmental tutoring.

The Director of Student Success communicates with the appropriate faculty and staff regarding the specified accommodations and works with the student and/or his/her instructors to ensure that the plan for academic success is followed.

Involuntary/Administrative Withdrawal for Students with Medical, Mental/Psychological Conditions or Disabilities

If it becomes evident (through observed behavior or by report(s) from faculty, staff or students) that a withdrawal from the college may be in the best interest of a student and the college community and the student (and/or his or her family) does not agree, then the following proceedures will be engaged:

1. The Dean of Students will review all available information obtained from incident reports, conversations with students, faculty and staff, and expert opinions of appropriate medical/mental health professionals.
2. The Dean of Students will engage in a determination on an individualized, case-by-case basis and will apply the direct threat analysis, taking into consideration the nature, duration and severity of the risk and likelihood, imminence and nature of the future harmful conduct, either to the student or to others in the college community.
3. The Dean of Students will meet with the student (if possible), giving notice to the student of the meeting and providing an opportunity for the student to provide information to the contrary and/or to make suggestions for reasonable accommodation short of involuntary withdrawal from the college.
    - If, after the conversation noted above, the student chooses to withdraw voluntarily, a withdrawal form will be processed, indicating that the withdrawal is voluntary and of a medical nature and setting appropriate conditions for the student's return.
    - If, after the conversation noted above, the student maintains that she or he would like to remain enrolled, the Dean of Students will consult with the appropriate medical professionals regarding the information presented by the student. Failure by the student to give consent to share information so that medical/clinical professionals may be consulted will result in the involuntary withdrawal from the college, as the college will have insufficient evidence to render an individualized determination. The Dean will also consult with the Director of Admissions and other college officials as appropriate.

4. The Dean of Students will render a decision and present that decision to the student in writing. Should the decision be to withdraw the student involuntarily, appropriate conditions for return will be contained within the withdrawal letter. The college will require, as a condition for return, a signed release by the student for the Dean of Students and appropriate college officials to discuss the student's readiness to return to college and assistance in developing reasonable accommodation(s), to mitigate any direct threat to self or others.
5. Should the student choose to appeal the Dean of Students' decision, she/he will follow the procedure outlined in the Administrative Disciplinary Procedure section of the Student Handbook (p. 49), making such appeal to the President's Cabinet who will render a final decision.

Student Health Services Policy on Student Illness, Class Absences and Athletic Absences

It is the policy of the Student Health Services Office to provide written documentation of a student's visit to the Health Services Office upon request of the student. The Health Services Office does <u>not</u> issue written medical excuses to students for absences from class or athletic events. Students are required to get any written medical excuse from their physician and are to provide faculty with such documentation. In extreme cases, the Health Services nurse may issue a recommendation that a student be placed on bed rest (temperature over 100 degrees, persistent vomiting, persistent diarrhea, migraine headache, strong suspicion of a communicable disease). In such a case, it is still the student's responsibility to talk with his/her professor to receive instructions as to making up missed classes, assignments, or exams.

If the Health Services Office sends a resident or day student home due to a severe illness, the Health Services Office will provide that information to faculty/staff through the email system or through written documentation to the Academic Dean.

<u>Student Responsibilities:</u>

1. The student experiencing an illness will come to the Health Services Office during normal office hours for evaluation.
2. The student will contact involved faculty members to notify them of illness.
3. If the student's illness requires him/her to see a physician, the Health Services Office personnel will make an appointment for the student or counsel the student to go to Urgent Care or their own personal physician.

4. The student is responsible for obtaining any written excuse from a physician, and for bringing it by the Health Services office for the nurse.
5. In the case of athletes experiencing illness, unless the student is placed on bed rest, the student is still expected to attend practices/ games/scrimmages.
6. Students are not to call and request documentation from the Health Services Office for illnesses. Students must come by the office to be evaluated by the Health Services nurse. Documentation will not be given for illnesses on any day other than the one in which the student sees the nurse.

AIDS / STD (Sexually Transmitted Disease) Policy

Because of the rapid spread of the AIDS virus, Montreat College may be faced with students and/or employees who contract AIDS, AIDS related diseases and Hepatitis B. To ensure that proper procedures are taken to protect all individuals in the campus community, including the infected person(s), a communicable disease policy has been adopted by Montreat College.

AIDS Policy: Upon becoming aware of a student who is infected with AIDS or ARC or possesses AIDS antibodies, he or she will be asked to submit to the following:

- Counseling
- Monitoring by medical personnel
- Disclosure of their condition to those with whom close contact is required, such as roommates (He or she will be permitted to move to a private room if one is available.)

Montreat College would strive to provide appropriate information in order to instruct staff and students regarding the nature of AIDS and Hepatitis B and transmission. Effective educational efforts and the development of a Christian outlook, well in the advance of any possible crisis situation, are the best assurance that an actual crisis will be dealt with lovingly and rationally, and without panic.

Vehicle/Parking Policies

All motor vehicles owned or operated by a Montreat College student must display a current parking permit sticker. Students may park in any designated legal parking space on campus **except** the Howerton Dining Hall lot and behind Gaither Hall, which are designated for faculty and staff only Monday through Friday 7:30 AM to 5:00 PM. **The college**

is not responsible for damage to a vehicle that is parked on college property.

Violation of this regulation will result in disciplinary action.

Students over the age of 21 are encouraged to use discretion and mature judgment in the event that they choose to consume alcoholic beverages. Due to the potential influence that student leaders have on fellow students, their consumption of alcoholic beverages is discouraged. However, if student leaders, age 21 or older, do choose to consume alcohol, they are expected to model responsibility and maturity.

These recommendations and regulations apply to all students, living on or off campus. Resident students are responsible for conveying these regulations to their guests while they are on the Montreat College

Appropriate Use Policy for Information Technology Resources

Access to computer equipment systems and networks owned or operated by the college is a privilege that is granted by the college subject to certain rules, regulations and restrictions. Such access imposes certain responsibilities and obligations and is granted subject to college policies, and local, state, and federal laws. This access carries with it certain ethical responsibilities and obligations and should reflect the

academic honesty, discipline, and standards of conduct appropriate for our shared community of network and computer resources. Ethical use demonstrates respect for intellectual property, ownership of data, system security mechanisms, and individuals' rights to privacy and to freedom from intimidation, harassment and unwanted solicitations.

Most importantly, each user of the college's technology resources is a representative of the college, in that a record of his/her user address, reflecting "montreat.edu," is left at each site that is visited or e-mailed. Accordingly, each user is expected to behave in a manner that reflects our commitment to be a community under the Lordship of Jesus Christ.

Any person who has a question about this policy, or is concerned about a potential violation of this policy by him/herself or by another person, is encouraged to contact the Vice President for Finance and Information Technology.

All official email correspondence from the college faculty or staff will be sent only to your Montreat College email address.

2. To use only legal versions of copyrighted software in compliance with vendor license requirements and not to make or use illegal copies of copyrighted software, store such copies on college systems, or transmit them over college networks.
3. To be considerate in his/her use of shared resources. Refrain from monopolizing systems, overloading networks with excessive data or non-work related messages, or wasting computer time, connect time, disk space, printer paper, manuals or other resources.

4. Not to use computer programs or other means to decode passwords or access controlled information.
5. Not to engage in any activity that might be harmful to systems or to any information stored thereon, such as creating or propagating viruses, disrupting services or damaging files.
6. Not to use mail or message services intending to harass or intimidate another person, or to indiscriminately broadcast information of a frivolous nature.
7. Not to impersonate any student, staff, faculty, and/or administrator using email for any purpose.

10. As college employees, not to install or operate computer games on college-owned machines for purposes other than academic instruction.
11. To abide by a) all rules, regulations, policies and procedures adopted by the college, b) all rules and regulations posted in terminal rooms, labs and printer areas and c) all instructions given by staff members.
12. Not to attempt (or assist in an attempt) to a) penetrate system security, b) cause any part of the system to become impaired or inoperable or c) gain unauthorized access or entry to computer facilities and/or computer based data.

Enforcement and Penalties for Violations:

In connection with such investigations, users whose files or terminal sessions are affected are deemed to have acknowledged the following: that they are not entitled to any expectation of privacy with regard to their files, data or communications and that appropriate college officials and criminal enforcement agencies may be notified of the violation and provided with information and materials relating to the investigation and/or violation.

The responses for violation of this policy will include, but not necessarily be limited to, the following:

One dimension of the social and intellectual programming involves the presentation of films/videos. A reviewing and recommending body consists of the Director of Student Activities, members of the Student Activities Committee and a Residence Director. This body carefully considers the moral, intellectual, spiritual and social impact of films/videos to be shown publicly to the student body.

G and PG-rated films/videos are approved without review. The reviewing body must approve PG13-rated films/videos in order to be shown publicly. R-rated films/videos are not permitted for public viewing on the Montreat College campus. NC-17 and X-rated films/videos are not permitted for public or private viewing on campus. The residence halls, clubs and organizations must meet these same guidelines for the appropriateness of the film/video to be presented. Students are strongly urged to carefully consider the moral, intellectual, spiritual, and social impact of any films/videos to be viewed privately on or off campus.

Such written grievance shall include statements of the grounds for the grievance, supporting information, and suggested steps to resolve the matter.
3. The Academic Dean shall inform the student of the outcome within ten (10) business days after the panel has met and shall also inform the Registrar's Office if a change in grade was recommended.

The official reprimand normally remains in effect for one full academic year.

Academic Integrity Policy

A. **Definition of Academic Dishonesty**

Academic dishonesty, such as cheating on tests and plagiarizing essays, violates the fundamental trust underlying all academic work: that the work be the product of the student who submitted it. Montreat College defines academic dishonesty as the representation of another's words, ideas or images as one's own. It applies equally to intentional and unintentional quotations, paraphrases, visual images, auditory images and all electronic means of storage and communication. When academic dishonesty occurs, these procedures will be followed:

B. **Discipline of Academic Dishonesty**

When a professor suspects a student of academic dishonesty, the professor will meet with the student(s) to discuss the incident and to determine to the faculty member's satisfaction whether or not academic dishonesty has occurred. If, in the instructor's judgment, such a violation of academic integrity has occurred, the faculty member will present the charges in writing to the student. The only possible disciplinarian actions are, (1) a "zero" for the assignment or (2) an "F" for the course. A student may choose to admit his or her responsibility for academic dishonesty and waive a hearing. This involves signing the Academic Dishonesty Notice outlining the record(s) regarding academic dishonesty will be retained until the student successfully graduates. A student who does not agree to the professor's charges must appear before a panel of three faculty members appointed by the Assistant Academic Dean or designee on charges of academic dishonesty. During the intervening period, a student is expected to continue to attend class.

The panel will convene a hearing with the student and the professor at which the faculty member will explain the student's alleged violation. A student may choose to counter with information regarding her or his innocence or may admit guilt.

C. **Punishment of Academic Dishonesty**

If the panel indicates, by simple majority vote, that the student has been dishonest, the panel shall uphold the penalty assessed by the professor. The Assistant Academic Dean or designee will notify the student, professor, advisor and registrar in writing of the panel's decision. If the student received a failing grade for the course, the student may remove the impact of the "F" on the grade point average by successfully retaking the course. Two incidents of academic

dishonesty will result in a student's being subject to dismissal from the college. The student will not be eligible to reapply to Montreat College for at least two (2) years after dismissal. If the panel finds the student not responsible for academic dishonesty, it will notify both the student and the faculty member.

If a student receives a zero for the assignment and wishes to drop the course within the time frame for dropping without penalty, he or she may do so, but the Academic Dishonesty Notice will be kept on file if the student has admitted or been found responsible for academic dishonesty. If the student has been given a zero for the assignment due to academic dishonesty and wishes to drop the course, but the time has passed for dropping without penalty, the student will have "WF" recorded on the transcript. A student receiving an "F" for the course as a result of academic dishonesty is not permitted to withdraw from the course; rather, the "F" is recorded on the transcript. In all instances, the record(s) regarding academic dishonesty will be retained until the student graduates.

D. **Exoneration of Academic Dishonesty**
If exonerating information becomes available in the five business days following notification, a student may appeal to the Vice President and Dean of Academics. Appeals will be heard only if they meet one of the following conditions: (a) discovery of new information; (b) violation of procedure. A student must remain in the class and work toward its successful completion during the appeal process. The student will be notified in writing of the final decision.

Class Attendance

Regular class attendance is essential for learning, and Montreat College recognizes the need for students to be in class in order to gain the most from their college experience. Students should inform instructors of any anticipated class absences and are responsible to make arrangements to complete missed work. They are responsible to ensure that their instructors know when they are absent due to illness. Instructors establish their own attendance policies and inform students of these in the course syllabus, along with any penalties for absences. They may reduce grades for class absences, particularly if the nature of the course makes attendance imperative. If such a reduction is to be made, it will be stated in the course syllabus.

Because the School of Arts and Sciences (SAS) at Montreat College is primarily residential, only in rare cases will all classes in SAS be cancelled due to snow, ice or other bad weather conditions. In general, classes will meet as long as professors are able to make it to campus.

Commuting SAS students, however, should not put themselves at risk when driving conditions are deemed dangerous due to snow, ice or other bad weather conditions. In cases when commuting students will miss class due to poor driving conditions, they should notify their professors via email or voice mail; if tests, papers, projects or other major assignments are missed because of poor driving conditions, students will be permitted to make up the work without penalty.

RESIDENCE LIFE

Welcome! From the Residence Life Staff

We're glad that you are here at Montreat College. Whether you are just starting your education, transferring from another school or continuing your education, the Residence Life staff wants you to feel at home.

Our Commitment

The goal of our residence life program is to be known for one defining characteristic - that each of us would have a servant's heart toward others.

"As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the peace through the bond of peace...Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by cunning and craftiness of men in their deceitful scheming. Instead, speaking the truth in love, we will in all things, grow up into Him, who is the Head, that is, Christ. From Him, the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work."

Ephesians 4:1-3, 14-16

Residence Life Staff

To assist residents in developing healthy self-governance, the college provides each residence hall with a residence director (RD), along with several resident assistants (RAs). A residence director lives in an apartment on the first floor of each residence hall. His/her selection is based on qualifications that include a model of Christian character, an ability to administer organizational programs and a pronounced interest in working with college students.

Each residence director is responsible for managing the overall operations of the residence hall, developing and supporting their staff, acting as a liaison between residents and the Student Services staff and organizing his/her educational and social programs in the hall.

Resident assistants are selected to work with residents on each floor in the residence hall. They have the meaningful challenge of helping to involve fellow students in a variety of activities and experiences that are designed to make residence living more conducive to healthy growth and development. They are selected on the basis of Christian character,

ability to manage their own affairs while helping to organize the affairs of the residence hall and a demonstrated rapport with fellow students. Resident assistants are available to help residents with personal problems and to offer guidance and support.

Living together always carries a number of responsibilities. Over the years, the Residence Life staff and Montreat College students have found the following procedures to be the best way of providing a quality living community.

Issuance of Keys

Each resident is given a key to his/her room when he/she moves in. To receive a key, the resident must acknowledge the receipt of the key in writing. Keys are the property of the college and must be returned when students move out of their rooms. Failure to return the room key, or loss of the key, will result in a charge of up to $30 to replace the key and/or lock and $50 for exterior door keys.

Residents are encouraged to keep their doors locked at all times when they are away from their rooms. The college is not responsible for the loss or theft of residents' personal belongings.

Residence Life staff reserve the right to charge a $5 fine for unlocking residents' rooms with the master key.

Room Furnishings

All residence halls are furnished with single beds, chairs, desks, dressers, desktop shelves, a bookshelf and clothes closets. Each student must provide his/her own wastebaskets, linens, blankets and pillows. Some students find it desirable to also bring a bookcase and a study lamp. Blinds are provided in each room. Room furniture may not be disassembled or removed from student rooms.

Window dimensions are:
ANDERSON HALL
width 97" x height 57"
McGREGOR HALL
width 74" x height 62"
DAVIS HALL
width 80" x height 67"
HOWERTON HALL
width 68" x height 61"

Official Breaks of the College

Students are encouraged to check the college calendar regarding the date and time to arrive on campus at the beginning of the fall and spring semesters. There will be a $50 charge per day if a student arrives early without prior permission. Keys for rooms will not be issued prior to the official opening of the residence halls.

There are several official college breaks when the residence halls are closed. Prior to the beginning of these breaks, the Dean of Students will set a date and time when the residence halls must be vacated. The official college breaks are: fall mid-term break, Thanksgiving break, Christmas break, Easter break and spring mid-term break.

During official college breaks, all students must follow appropriate checkout procedures as posted by the staff. A $10 fine may be imposed for any improper checkout, and a $50 fine will be charged for each day a student is in a building between the official opening and closing times. Personal items may remain in the rooms, but all residents must vacate the building. Only residents with official permission may stay on campus during breaks.

Private Rooms

Private rooms will cost $900 per semester above the normal rate for a regular room. A private room is available only on the basis that such rooms exist after all students have been housed. In order to insure private room status, the appropriate form must be filed in the Residence Life Office. These forms are available on request at the end of the fall semester and at room selection at the end of the spring semester. Freshmen are not initially assigned private rooms.

Room Changes / Consolidation

If during the first week of a semester a student is without a roommate or loses his/her roommate and there are other students who are without roommates, the remaining students will be asked to consolidate or they will be charged the private room rate. This creates a standard of equity for those students who are paying the private room fee.

Any student in the above mentioned circumstances must pursue one of the following options: 1) consolidate with another student that is without a roommate; or 2) insure their private room status through paying the

private room rate. The residence director of each building will provide a list of students needing roommates. Students must make appropriate arrangements in a timely manner or they will be charged a private room fee.

Before students are allowed to change rooms or roommates, every effort will be made to find a workable solution. The proper process is for students to contact their RA/RD for assistance. All room changes must be approved through the Office of Residence Life. Room Change Request forms are available from the RD. If a student makes an unauthorized room change, the student will be charged a $50 administrative charge and possibly face disciplinary action.

Renter's Insurance

Some students' valuables and belongings are covered for loss and theft by their families' homeowner's insurance policy. It is advised that each student inquire as to whether he/she is covered by such a policy. If not, it is highly recommended that a "renter's insurance policy" be purchased through a local insurance company. The college's insurance does not cover loss due to fire, theft, etc.

Room Decorations

Realizing that residence hall rooms represent the home of the student during his/her stay at the college, students should decorate their rooms in a manner according to the Christian community in which we live. Examples of unacceptable room decorations would include offensive pictures or objects, pictures of illegal drugs or alcoholic beverages, street signs or empty alcoholic beverage containers. With such violations, the residence director will issue a warning for the removal of the material. At that time, the student must remove the material or issue an appeal to the student court.

Residence Hall Checkout Procedures

Each student must complete a checkout process prior to leaving his or her residence hall room. Failure to complete the checkout procedure will result in a $50 fine. Checkout consists of cleaning the room and cataloging any damages incurred by the resident. Students will be charged for any damages as well as failure to clean appropriately.

Students are expected to leave the residence halls 24 hours after their last exam. Halls officially close at 5:00 PM the day of the last exam. Any student staying past that time without appropriate permission will be fined $50 a day. Any student involved in graduation may stay, without charge, until 5:00 PM graduation day.

To Check Out:

1. Each resident, including graduating seniors, must schedule an appointment with their resident director or RA at least 24 hours before checking out. Sign-up sheets will be posted beginning the last day of classes.
2. Prepare room for checkout by removing all stickers, posters and adhesive particles from doors, walls, windows, and furnishings. Rearrange room furniture so that beds are returned to their original location and dressers are not stacked. All personal belongings

must be removed from the room prior to being checked out. Sweep or vacuum room, dust furniture and place all trash in proper receptacles.

3. All damage to common areas will be charged to those individuals responsible for damage. If the responsible individuals cannot be determined, then the damages may be charged to the residents of the hall.
4. All outstanding damages and fines will be charged to residents' accounts.
5. Roommates should discuss prior to checking out who is responsible for any damages. Otherwise, the damages will be divided between the roommates. If one roommate is already checked out and the damage was not discovered, the remaining roommate will be charged the full amount.
6. Report to the residence director's apartment or RA's room at the time of the scheduled checkout appointment. Please be prompt and ready to be checked out. The residence director or RA will inspect the room, collect the key, complete necessary paperwork and make charges for any damages to the room or common area.

Important Notes:

1. Students will not be allowed access to their rooms once they have checked out.
2. Any student who fails to complete all of the checkout procedures will be fined $50.
3. Students who stay in the residence halls past their time to check out will be charged the summer conference rate per day.
4. Failure to return the room key at the time of checkout will result in a lock replacement charge.
5. Summer storage will not be available in the residence halls.
6. Collection boxes for clothes and other items will be placed in the residence hall lobby the week prior to closing the building for donation to those who have need.

Please note that if large items such as personal furniture and carpets are not removed from campus, the resident will be charged the cost of removal.

Room Cleanliness

Periodic room inspections will be held to meet the expectations of the Health Department of North Carolina. Food stored in a room should be kept in a tightly closed container in order to keep insects and other pests out of the building. Room checks will be done by the Residence Life staff prior to official college breaks.

Room Damage and Misuse of College Property

Students will be responsible for the condition of their room and its contents, including furniture, floors, walls, windows, doors, closets, carpet, etc. Do not place posters on the walls with nails, glue or double stick foam. Putty and masking tape may be used. No nails are to be driven in the walls or woodwork for any reason. Screens are not to be removed. Do not write or draw on college property. No furniture may be disassembled or moved out of the residence hall rooms. Charges for loss or damage to communications wiring, furniture or equipment will be assessed to the students of that room or suite. Any damage or removal of lobby or any common area furniture will result in a fine and disciplinary action.

Room Entry, Search and Seizure

Recognizing that the room of each student represents his/her home, the college consistently strives to respect the element of privacy. Under certain circumstances, however, it is necessary for Montreat College staff or designee to enter a student's room. These circumstances are as follows:

1. Regular maintenance, safety, and health inspections.
2. With reasonable suspicion, college officials may search a room of any resident student. The search may include, but is not limited to, opening drawers and refrigerators, examining furnishings and personal effects, searching an adjoining bath or suite and seizure of illegal goods or stolen property. The Residence Director must be present to supervise the search of any student's room. An effort will be made to contact the individual before proceeding into the student's room. At that time, a list of rights and receipt for any materials taken will be given.

3. Emergencies, with no search warrant or notice given, such as:
   a) incident to and following a lawful arrest
   b) for and in pursuit of a fleeing dangerous criminal suspect
   c) under urgent necessity (i.e. persistent loud screaming, medical emergencies)
   d) necessary to prevent loss or destruction of an item to be seized

Telephones and Television

Each residence hall room is equipped with basic cable TV, Internet connection and local phone connections at no additional cost. The student must provide a personal phone. In order to keep phone lines available for incoming calls, students may not connect to a computer on-line service through the phone line.

Please use care, consideration and judgment in regulating the residence hall lobby television. Any PG-13-rated movie must be approved by the Residence Director before viewing in the lobby. Satellite-type TV dish connections are not permitted in any residence hall.

Up to two required meetings may be called, with a three-day notice, per semester. Students who fail to attend without prior approval will be fined $10. Additional mandatory meetings may be scheduled by the Director of Residence Life if deemed in the best interest of the residence hall community.

Visitation

The college has the responsibility to provide for the safety of those living in the residence halls and security of their personal property. We also realize the residence halls are students' homes away from home, entitling them to a degree of privacy. In an effort to create a balance between safety and privacy for the entire community, we have adopted the following guidelines for visitation events.

Each residence hall may have up to six evening visitation events each week and one event on Sunday afternoons for guests of the opposite sex. Visitation is not permitted on Wednesday evenings in any of the residence halls. Wednesday evenings are reserved for individual residence hall community activities and programs. The following conditions must be met:

1. There must be a 3/4 approval through a secret ballot by residents to adopt visitation days and hours.
2. The total visitation hours may not exceed 33 per residence hall per week and must be held between 6 p.m. and 11 p.m. evenings and 2 p.m. and 5 p.m. Sundays except in upper-class housing (see Upperclass Visitation). There must be someone manning the desk in Anderson Hall in order to conduct visitation. Visitors must call the host's room to see if the resident is accepting visitors. Visitors must be escorted by the resident host at all times when in the residence halls.
3. Guests must sign in at the lobby desk. When any guests leave the residence hall, they must sign out and note the time of departure. ALL guests must be escorted to the point of checkout. The signing in process includes listing first and last names as well as the room in which the guest(s) will be visiting. Hosts are responsible for the actions of non-student guests throughout their visit.
4. Each visitor will enter and leave by the front first floor lobby door.
5. Lobby restrooms are available off each residence hall lobby except McGregor. Guests of the opposite sex may not use hall bathrooms in Davis. 7. Doors must be kept open at approximately 45 degrees when a guest of the opposite sex is present. Residence Life staff monitors hallways to insure safety and policy compliance. Staff members reserve the right to enter any room that creates a reasonable level of concern. 8. Residents are encouraged to be sensitive and considerate of their roommates when considering participation in visitation.
9. Residents are not permitted to have guests of the opposite sex in their rooms other than during an approved visitation event.

10. For security reasons, students are not permitted to open the lobby door for a non-student unless the student is the designated host of the non-student. Non-students must be escorted into the residence hall by a student host.

Visiting in Residence Hall Lobbies

The lobbies in the residence halls are open 24 hours, seven days a week. For a member of the opposite sex to stay in the residence hall lobbies after they are locked, the opposite sex guest must have a resident of that hall with him or her. This policy allows for study, watching TV, etc. However, opposite sex sleepovers are not permitted.

Overnight Guest Policy

All guests who stay in the residence halls after closing must register with the Residence Director and/or Resident Assistant. If the guest has a car, it should be registered with Student Services as well. The resident student is responsible for his/her guest as long as he/she is staying with the student. Only overnight guests of the same sex are permitted. Any student who houses a guest and fails to have him/her register is subject to sanctions. All guests must conduct themselves in accordance with the college regulations. Additional information on overnight guests is available in the Office of Residence Life.

Emergencies

All students are expected to make sure someone in the residence hall is notified when away from campus. Letting a friend or roommate know where you will be when off campus and when you plan to return allows the Resident Assistant to reach you in case of emergency.

The Residence Life staff hopes that student experiences in the residence halls will be founded in faith, demonstrated in love, bound in peace and evidenced in growth.
